

Living Productively in a Broken World

Based on "Broken-Down House" by Paul Tripp

The Broken World

Do you know where you are?

What are some indications of a broken world

Where do we see the signals of a broken world ignored until the whole thing comes to a dramatic halt?

The Bible has not deceived us. It is not a fairy tale of happily ever after. It is a book about this world in which you and I live. It is a book about a broken world. (Romans 3:10-18; 8:18-23; Eph. 6:12)

What should you do once you realize you are in a broken world?

The Broken You

You are a Sinner

One of the great breakthroughs that people need to face in regards to sin is that the greatest need is not to change your environment, but rather your own heart.

David puts it in clear terms for us to understand (Psalm 51:1-2)

You're a child of Grace

We are humbled by our identity as sinners, but that prepares us to receive the benefits of our identity as children of Grace. My sin is pervasive... but my potential by God's grace is comforting.
